IV. TUITION PAYMENT POLICY
Students are invoiced in July and December for the next semester’s charges and electronic statements may be accessed via WebAdvisor using the QuickPay link. Only accepted and completed financial aid awards, including Philadelphia University Scholarships, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (SEOG), Federal Perkins Loans, PHEAA Grants, Federal PLUS Loans, and/or Federal Stafford Loans are included on the student’s invoice. Late applications for financial aid, unless approved prior to the billing due date, are not credited to the student’s account or accepted as payment. Any balance due resulting from unapproved financial aid must be paid by the billing due date. Any subsequent approval, resulting in a balance due the student, will be refunded to the student after the add/drop period.

Tuition is due by the first day of each semester. Checks should be made payable to Philadelphia University, ATTN: Student Accounts Office, School House Lane and Henry Avenue, Philadelphia, PA 19144-5497, with the student’s identification number clearly indicated on the face of the check. If the University receives a total of three non-sufficient funds (NSF) checks, all future payments must be made by cash, certified check or money order. Students may also use WebAdvisor to pay their account balances online by accessing the QuickPay link under the Billing Information section. Electronic checks and credit card payments are accepted. There is no fee to pay by electronic check. Credit card payments will be assessed a 2.75% service fee. Philadelphia University accepts American Express, Discover, and MasterCard for tuition payment.

Evening and graduate students who wish to pay their tuition in three monthly installments over the course of the semester must formally notify the University’s Student Accounts Office and sign a promissory note to this effect. Students who default on the plan will be placed on financial hold and assessed a $25 per month late fee. Notification will be required each semester and a new promissory note signed for all new charges.

Students whose employers offer tuition remission will need to submit this information to the Student Accounts Office by the first day of the semester. Students will sign a promissory note requesting that the University bill the student’s employer and acknowledging that in the event of non-payment by the employer, the student will be responsible for all charges. Notification will be required each semester and a new promissory note signed for all new charges. The University strongly encourages students to enroll in the tuition insurance plan.

Student whose employers offer tuition reimbursement will be responsible for paying the tuition by the first day of classes each semester and submitting the proof of payment to their employer for direct reimbursement.

Health Insurance
All full-time students, international students and graduate students in the School of Science and Health are required to have health-insurance coverage. The annual policy will be billed automatically in the fall semester for these students. All other students may choose to be enrolled in the University-sponsored plan. Please note that enrollment in the University-sponsored plan requires students to also pay the semester Student Health Center fee.

Students who have private insurance coverage may complete an online waiver that may be accessed in WebAdvisor. The waiver must be completed annually. International students must provide documentation of an annual health-insurance plan directly to the Student Health Center and cannot use the online waiver option.

The waiver deadlines are Friday, September 11, 2009, for the fall and Friday, February 6, 2010, for students who were not enrolled in the fall and are beginning their studies in the spring.

A $45/semester Health Center fee is charged to students who use the Health Center and any student that has purchased insurance through the University.

For more information about University requirements and the University-sponsored health-insurance plan, visit www.PhilaU.edu/healthservices on the web.

Tuition Insurance
Philadelphia University has contracted with A.W.G. Dewar to offer students the option to purchase tuition insurance. This plan insures the student’s annual tuition and fee charges in the event that the student must withdraw from the University due to a serious illness or accident after the published tuition refund deadlines. This coverage is not required and students who wish to participate should contact Dewar directly, at 617.774.1555 or trp@dewarinsurance.com to arrange to purchase the insurance. Students will be charged .04 percent of the total tuition and fee amount that they wish to insure and the policy must be purchased before the first day of classes. Failure to participate in the tuition-insurance plan will be taken into consideration when tuition appeal requests are reviewed by the Tuition Appeal Committee.
